

ABOUT US

Slovak Liaison Office for Research and Development was established in 2014 by the Ministry of Education, Science, Research and Sport of the Slovak Republic and the Slovak Centre of Scientific and Technical Information. The Office will be focusing on monitoring and analysis of EU policies and tools for support of research, development and innovation particularly through the new Framework programme for research and innovation – Horizon 2020.

OUR MISSION:

- To improve communication with European institutions in the field of research, development and innovations
- To develop communication with other organizations based in Brussels
- To improve communication with international research and innovation community
- To improve flow of information between European institutions and Slovak researchers and innovators
- Support of Slovak participation in the European Research Area
- To create a base for Slovak research and innovation institutions in Brussels
- Identification of potential partners and cooperation
- Providing of consultations for Slovak researchers

SERVICES OF THE SLORD

Slovak Liaison Office will offer services in 3 areas:

INFORMATION

- Providing targeted and up to date information for Slovak research and innovation community on the calls and funding opportunities for research, development and innovation from European resources, and particularly through Horizon 2020

- Monitoring and analyzing trends of EU research, development and innovation Policy
- Slovak's research and innovation policies and system

SUPPORT FOR PREPARATION OF RESEARCH AND INNOVATION PROJECTS

- Providing expert consultations on EU projects
- Providing target group specific information on possibilities of involvement in international consortiums
- Consulting services for partner search and involvement in European networks
- Logistic services, such as meeting rooms for meetings of Slovak researchers with potential project partners in Brussels
- Recommendation of successful examples and best practices in the EU

- Participation in events, meetings and activities in Brussels and providing information to Slovak researchers and stakeholders

- Mediating contacts and provision of meetings in relevant European institutions and organizations based in Brussels

PROMOTION OF SLOVAK RESEARCH AND INNOVATIONS

- Promotion of Slovak research, its results and potential in Brussels
- Organization of information days, workshops, seminars and conferences in order to improve knowledge about Slovak research and innovations in Brussels
